

SUJAN RASKOTI

9862353123 — sujanraskoti2003@gmail.com — GitHub — Portfolio — linkdin

Professional Summary

Frontend Developer skilled in React.js, JavaScript, HTML5, CSS3, and REST API integration. Experienced in building and deploying responsive, user-friendly web applications from concept to production. Proven ability to manage real-world projects independently, with a strong eye for clean UI and performance optimization.

Technical Skills

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Responsive Design

Programming: Python, C++, C, SQL

Tools: Git, GitHub, Figma, REST APIs, Vercel, Netlify

Database: MongoDB

Projects

portfolio website

- Crafted a responsive portfolio using React.js and Tailwind CSS, achieving 100% mobile compatibility
- Enhanced performance for mobile and desktop through modern UI/UX principles and lazy loading
- Deployed on Vercel with continuous delivery, reducing update time to under 60 seconds

Smart College LMS | React.js, JavaScript, Tailwind CSS

- Built a React.js scheduling system with conflict-reduction logic, cutting timetable errors by 80%
- Created a clean, responsive UI improving usability across 3+ device types
- Streamlined class scheduling for 100+ students using custom automated algorithms

Clothify E-commerce Website | React.js · State Management · Vercel

- Developed a responsive e-commerce platform with product filtering and cart management for 50+ products
- Executed dynamic state management for real-time UI updates across all devices
- Deployed on Vercel ensuring cross-browser compatibility with under 2s load time

AgriSmart Hub | React.js · REST API · JavaScript ES6+

- Engineered a crop recommendation engine using React.js with REST API integration for real-time data processing
- Applied React Hooks for efficient state management, improving rendering speed by 40%
- Produced a fully responsive app accessible to 100% of non-technical users

Bhraman Nepal | React.js · Tailwind CSS · Git · GitHub

- Built a multi-page travel website with dynamic navigation and reusable React components
- Integrated third-party libraries and local video, improving user engagement significantly
- Managed codebase with Git version control across 5+ feature branches

Experience & Leadership

President – Student Union.

2025 – Present

- Led 10+ student representatives and organized 2 campus-wide events
- Represented 200+ students in faculty coordination and conflict resolution
- Strengthened leadership, communication, and team management skills

Hackathon Organizer

- Organized 5+ campus-wide events attended by 200+ students
- Oversaw end-to-end technical setup and event execution successfully.

Education

Bachelor in Computer Engineering

2022-In progress

CITE College, Purbanchal University, Kathmandu

Certifications & Training

Web Designing Training — Broadway Infosys, Kathmandu, tinkune

2025

- Trained in Figma, HTML5, CSS3, Tailwind CSS, JavaScript ES6+, and React.js
- Built responsive web interfaces with hands-on project-based learning
- Designed UI/UX wireframes and prototypes using Figma

Additional Skills

Tailwind CSS, React Hooks, React Router, Redux, Node.js,
